#### About 1,500 At the School Of Missions

By Mrs. Claude Ponder
WARSAW — The total attendance for the week at the School of Missions sponsored by the Benton County Baptist Association was about 1500. Much information was gained through hearing the missionaries who came from the foreign mission fields of Argentina and China, from the Home Mission Board of the home mission field with deaf mutes and Indians, and from missionaries within the state of Missouri. The missionary staying at Warsaw was Miss Pearl Caldwell, missionary from China. During the days she visited four schools speaking to them of Chinese customs and the work by her in the mission field.

Miss Pearl Caldwell, Baptist

missionary to China, gave a very entertaining and interesting talk to the world history class at the Warsaw school on Friday.

#### Bengals Dampen Jays Homecoming Grid Scores... Game Friday

The Smith-Cotton Tigers practically put the "clincher" on the Central Missouri Conference Friday night when they trounced upon the Jefferson City Jays and came home victors, 21-0. A most colorful homecoming celebration of the Jays was given a dampening by the Tigers early in the game.

It was a heated gridiron affair. Starting in the opening the Tigers jarred the determined Jays with a touchdown on the first play of the game. There was some roughness in the first three quarters but not enough to draw the fire of the officials - but that last quarter turned into a battle like old times.

Melvin West kicked off for the 36. Then on the first play Tommy Noland wiggled his way through the line, and before the Jays realized the Tiger in the open had the ball, was on his way to pay dirt. It was a 64-yard jaunt down the field. Charles "Van" Van Dyne booted a perfect strike for the

it out and the first quarter went

In the second quarter the Tigers opened that period with the ball on the 14-yard line, and were forced to punt. The Jays worked it around for two first downs and lost it on the Tiger 17. The Tigers played with it there times and then punted. The Jays took over on their 24 and had to boot on the fourth down.

Smith-Cotton took charge on the Jays' 47 and the march began. Rudd Van Dyne and Tommy Nothe game. On the next play he through the Jays, spilling them here and there, and went the 34 yards for the score. C. Van Dyne kicked the ball between the up-

kickoff and the half ended with the Sedalians leading 14-0.

Opening up the second half Walt Kennon took over the kickoff duties. He booted a short kick. it hit a Jay player and Tommy Austin was on top of it and had the ball on the Jays' 45. The Tigers were forced to punt on the fourth the Jays on their 31. Forsythe lost a yard. Bryant fumbled the ball and the Tigers recovered on the opponents' 19. Noland and Van Dyne picked up 11 yards. Then on the next play, with eight yards to the goal, Noland twisted and turned and went the distance for the score. This time Charles Newman tried his toe on the ball and it likewise went over the bar for the extra point.

Back and forth the ball went and then the teams got to playing too hard for the officials. The Tigers and Jays had at it. Several of the players apparently were thing too much as players on both teams headed for the bench.

Next week the Tigers take on the Raytown High School in their last non-conference tilt. Raytowr and Sedalia have become bitter rivals over the past few years and two strong teams will be facing each other on the Jennie Jaynes Memorial Stadium gridiron Friday

## Sam Molen asks:

# SHOULD BUSINESS HELP SUPPORT OUR COLLEGES ?

SAM MOLEN, well-known sports commentator, KMBC-KMBC-TV, Kansas City, Missouri

BR. LAURENCE M. GOULD, president of Carleton College, Northfield, Minnesotes

"Education has been described as the 'cutting edge of progress.' The phrase aptly shows the interdependence of business and education. Far-sighted businessmen already have seen the danger signs in rising educational costs and are doing something about it. The financial aid of organizations like Standard Oil has helped greatly to avert what might become a major crisis in education."

DR. FRANK H. SPARKS president of the Associated Colleges of Indiana and president of Webash College, Crawfordsville, Indiana:

"Almost everyone agrees that it is to the advantage of business, education, and the state that the privately-financed colleges of America remain independent and strong. Since privatelyfinanced education and privately-financed enterprise have a common stake, contributions to colleges are sound, long-range investments for any business. Standard Oil has done great service to America in recognition and support of this principle."

HAROLD A. LINDAHL. graduate student, Illinois Institute of Technology, Chicago, Illinois:

"The great shortage of scientists and engineers is one of America's most serious problems. Fortunately, some companies have started to correct this situa-tion by giving financial help and encouragement to students who are studying for such careers. In my own case, a Standard Oil Foundation fellowship has made it possible for me to study for my doctorate in chemical engineering at Illinois Tech.

Financial aid to our colleges and a helping hand to serious and able youngsters serve to keep America strong and free. That is why we of Standard Oil believe very definitely that business should help support our colleges. Thirty-seven graduate and undergraduate college and university students are studying under

RALPH F. KRAUSE, JR., senior at Grinnell College, Grinnell, lowa:

"Large companies like Standard Oil rightly have taken an interest in education. Students often find it difficult to earn enough to meet their many college expenses and still devote enough time to studying. Scholarship grants, such as the one I have received from Standard Oil Foundation, permit a student to concentrate on the business of learning.'

Foundation also has set up a yearly grant of \$150,000 to aid privately-financed liberal arts colleges through their state associations in Midwestern states.

### TV's Second Year Jinx Is **Facing Gobel**

By BOB THOMAS
HOLLYWOOD UP — Will Lonesome George Gobel break the
"sophomore jinx" and keep his
popularity during his second year in the big time? Or will he fade, like Red Buttons and other unfortunates? Tune in next Saturday and try to find out.

My guess is that George will make it. This is based on his own great and diverse talents, not on his showing thus far this season. The shows have been far from the high standard he set in his fresh-

Aside from the lack of bright sketches, there's another disturb ing factor about the new Gobel show. It's Mom.

Now I have nothing against motherhood, in its place. Some of my best friends are mothers. But the device of having Mrs. Gobel interrupt the program is irritating and unfunny. I am more alarmed about what it does to the character of George Gobel. It makes him a pantywaist.

I have a theory that TV comedians: Trey must be manly.

Some comedy historians will dispute this. They point out that the father of modern comedy was Charlie Chaplin, the little fellow who always got kicked around. So were other greats of the silent screen—Harold Lloyd, Buster Keaton, Harry Langdon, etc.

But even though they were wistful, they could also fling a brick now and then.

TV comedians are different from admired by the viewers, who see now and then.

tive, not fellows who are afraid to

I feel that this dwelling on the 'little fellow" concept is what has eclipsed the TV careers of Red Buttons, Alan Young, Wally Cox and Dennis Day. Even Jack Car-son, though big in size, allowed himself to play the patsy.

All of these are good perform-

### Mrs. Harding **Observes Her** 96th Birthday

By Mrs. Verna Palmer

GREEN RIDGE - Mrs. J. W. Harding, Green Ridge, observed her 96th birthday anniversary Mrs. Fred Harding on Route 1. George W. Harding, Tulsa, Okla., came to be with his mother on her anniversary. Other guests in the Harding home were her daughter, Mrs. H. A. Hite, Green Ridge, and Mr. and Mrs. W. C. Harding, Sedalia.

Mrs. Harding received many gifts from relatives and friends. Special "Laymen's Sunday," services were held at the Green Ridge Presbyterian church on Sunday, Oct. 16. Laymen of the church led the service and William Heibner presented the sermon on the theme, "Be Doers, Not Hearers Only."

The chancel of the church was attractive with baskets and vases of dahlias placed in various places

near the pulpit.
Mrs. J. C. Hunton, Fayetteville, N. C., arrived for a two-months visit with Mr. Hunton's parents, Mr. and Mrs. W. H. Hunton and son, Clayton, and with her grandparents, Mr. and Mrs. George Reed, at their farm homes. J. C. Hunton, serving in the U. S.
